Dedication

We, the SENIOR CLASS of 1960, with sincere affection do dedicate, this, the 1960 Flash to DR. JAMES B. KAY who has served our community so unselfishly for many years. It could be said of him "He has lived in a house by the side of the road and has been a friend to man." How he has endeared himself to the young people, to those not so young, and those well along life's pathway!

His unselfish interest in mankind has encouraged fellowship among friends and neighbors. Deep interest in each worthy and worthwhile endeavor of school, church, and community has been evident.

Honesty, uprightness, consideration, sincerity, understanding, sympathy, love for his friends and family, and his Lord, exemplify the life of our very own Dr. Kay.

We, therefore, humbly dedicate this book; hoping that it will serve in some small way to show our great admiration for - - - DR. JAMES B. KAY.
